VUMC PATIENT FINANCIAL ASSISTANCE PROGRAM

If you have no health insurance, you may get medically necessary services at a discount from Vanderbilt. No action is needed by you to receive this discount.

If you have financial need, Vanderbilt may be able to reduce your bill. To get this discount you must answer some financial questions and provide some records so our staff can make sure you qualify. Also, you will need to apply for other kinds of health insurance or assistance.

- For TennCare call or visit a Department of Human Services Office in the county where you live.
- For Medicare call or visit a Social Security Office in the county where you live.
- If you were hurt at work, please ask your employer about Worker’s Compensation benefits.
- If you were a victim of crime call (615) 741-2734.

If your household income is less than 250% of the federal poverty guideline, you may be able to get a Charity Discount up to 100% of your bill for Vanderbilt hospital, clinic and physician services.

Also, you may also be able to get a Catastrophic Medical Event discount that will reduce your medical bill. If you have had a serious illness or accident and VMC bills that were more than your income for the past year, you may be able to get this discount.
